- A stair unit is not needed with 8 inch legs.
- Leg Clamps are recommended at leg heights of 32 & 40 inches high for maximum stability.
- Skirting in the package is figured for 3 sides only not including the back of the stage.
- Quik Stage portable staging and accessories are available in many other sizes and heights. If you don't see a package you like, we can quote you any size stage or height you need.
